

Medjet: The Trusted Travel Companion for AAO Members From Medjet

When you're far from home, the last thing you want to worry about is falling ill or getting injured without proper medical support. That's where Medjet comes in as the endorsed partner of the American Association of Orthodontists (AAO) for travel protection.

While typical travel insurance may only ensure care at the "nearest acceptable facility," Medjet goes beyond the ordinary by offering global medical transport, providing peace of mind to travelers, and ensuring they can receive care back home if necessary.

Why Medjet?

- Global air medical transport: Medjet provides 24/7 medical transportation from anywhere in the world to your home hospital of choice. Whether you fall ill on a remote island or encounter an unexpected medical emergency and are hospitalized abroad, Medjet can get you moved home, and back to the specialized care you need, quickly and safely.
- Peace of mind for you and your loved ones: Knowing you have access to Medjet's expertise and resources can take a huge weight off your shoulders, allowing you to truly relax and enjoy your trip.
- AAO endorsement: As an AAO endorsed partner, Medjet has met the association's rigorous standards for quality, service, and value. This means you can be confident you're choosing a reliable and trustworthy provider for your travel safety at the lowest price.
- The AAO has negotiated discounted Medjet [membership rates](#) for AAO members.

Don't let distance be a barrier to quality care – travel with confidence, knowing that Medjet and the AAO have your back. With Medjet, you can focus on your adventures, knowing that assistance is just a call away, ensuring a safe journey home.
