

## CONTINUING EDUCATION CREDITS

### ADA CERP® | Continuing Education Recognition Program

The Great Lakes Association of Orthodontists (GLAO) is an ADA CERP recognized provider approved by the American Association of Orthodontists.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The Great Lakes Association of Orthodontists designates this activity for up to 10.0 hours of continuing education (CE) credits for doctors and 10.0 hours for staff.

**CE attendance forms will be provided to each registrant after the Annual Session. It is the responsibility of individual attendees to submit any necessary continuing education credit documentation to their individual states for verification.**

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [ADA.org/CERP](http://ADA.org/CERP).

**CE MANAGEMENT THROUGH AAO MEMBER WEBSITE** – Sign in on the AAO member website at <https://www2.aaoinfo.org/login/> then navigate to the CE Manager by clicking **Education > Practitioners > CE Manager**.
